T Ü R K İ Y E ' N İ N Y Ü K S E K Y A P I U Z M A N I

26 yıllık sektör tecrübesi ile Selçuk PEKER tarafından kurulan PEKER EMLAK İNŞAAT, sektörün en deneyimli firmaları arasına girmeyi başarmış ve Türk inşaat sektöründe önemli bir yer edinmiştir.

Kaba inşaat alanında üstlenmiş olduğu tüm projeleri anlaşma kriterlerini her aşamada dikkate alarak taahhüt edilen süre içerisinde kurallarına uygun ve eksiksiz şekilde teslim etmeyi şirket mottosu olarak benimseyen PEKER EMLAK İNŞAAT, sektörün lokomotif inşaat firmaları tarafından Anahtar Teslim Kaba İnşaat alanında tercih edilen çözüm ortağı olarak benimsenmiştir.

Gelişen sektör dinamiklerine sürekli olarak kendini uyarlayan PEKER EMLAK İNŞAAT, insanlığa karşı duyduğu sorumluluk bilinci çerçevesinde geleceğe nitelikli yapılar bırakmak hedefi ile tüm teknolojik donanıma, makine ve ekipmana, sürekliliği bulunan deneyimli insan kaynağına ve gelişmeyi sürekli kılan bir yapıya sahiptir.

Tüm bu özellikler çerçevesinde PEKER EMLAK İNŞAAT, hem ülkemizde hem de global inşaat sektörü alanında öncü oyuncuların olma hedefi ile büyümeye ve gelişmeye tüm gücüyle devam etmektedir.

PEKER EMLAK İNŞAAT, established by Selçuk PEKER with his 26 years of sector experience has succeeded to be ranked among the most experienced companies of the sector and gained an important ground in Turkish construction sector.

PEKER EMLAK İNŞAAT which adopted the delivery of all Projects it undertook in the rough construction field in a complete and compatible manner with the rules within the committed period by taking the contract criteria into account in any stage of the construction as the motto of the company, has been recognized as the solution partner in the field of Turn-Key Rough Construction by the locomotive construction companies of the sector.

PEKER EMLAK İNŞAAT which is continuously adapting itself to the developing sector dynamics has the all technological equipment, machinery and instrument, experienced human resource having sustainability and a structure rendering development continuous with the target of leaving qualified constructions to the future within the framework of the sense of responsibility it feels against humanity.

Within all these characteristics, PEKER EMLAK İNŞAAT is continuing to grow and develop with its full strength with the aim of being one of the pioneer actors of both in our country and global construction sector.
